## INFORMATION FOR STAGE SHOWS & PRESENTATIONS

Lauderdale West has an auditorium that can seat approximately 300 people and has an elevated stage 40' wide by 20' deep. We allow performers and presenters free use of the equipment in our facility as a courtesy. We are happy to share our audio-visual equipment and assistance. However, we expect you to bring all necessary instruments and ancillary items such as DI boxes, in-ear monitors, effect pedals, instrument amplifiers, instrument pickups, risers, etc. We will help you by sharing our resources if necessary or to ensure a good performance if you have forgotten an item or in place of a damaged or lost in transit item. Anything borrowed must be returned in same condition you received it, or we will charge for repair or replacement(s).

### **HOSPITALITY**

We have two dressing rooms backstage. Each room is 10'-6" x 12' and have a 10-foot makeup counter with mirror and overhead lights. Each has a bathroom with toilet and sink. We do not have a shower room in the building. We have shower rooms located at our outdoor pool area which we will make available. Please bring a towel and toiletries if you plan on using a shower.

We provide regular or decaffeinated, brewed coffee (your choice; let us know), tea bags and hot water, soda, water, ice, pinwheel sandwiches and fruit.

There are many restaurants and fast-food establishments in our area. Typically, performers go out for food after soundcheck.

We have a 30" and a 48" portable clothes rack and two 36" x 6 ft. stationary storage cabinets with a 36" bar in each.

### COMP TICKETS

Our tickets are reasonably priced. We do not provide comp tickets. If you need tickets, let us know in advance and we will reserve them and inform you of the cost.

If you can provide a sound engineer to operate our Soundcraft Si 3 for your show, please let us know. If you wish to use any of our equipment or wish to discuss how we can make your show the best it can be, please contact Jeff Bender at 518-461-3999 (C) or email to [webmaster@lauderdalewest.org](mailto:webmaster@lauderdalewest.org).
