NATIONAL DAY OF SERVICE AND REMEMBRANCE

September 11, or 9/11, is observed as a National Day of Service and Remembrance to honor the victims, first responders, and survivors of the 2001 terrorist attacks.

On **September 11, 2001**, coordinated terrorist attacks targeted the **World Trade Center in New York City**, the **Pentagon near Washington, D.C.**, and a field in **Shanksville, Pennsylvania**, resulting in the deaths of nearly **3,000 people** and profound national impact. The attacks led to widespread grief, reflection on American identity, and a renewed focus on patriotism, security, and community service.

Originally conceived in **2002**, the idea was to transform the anniversary of 9/11 from a day of tragedy into a day of **doing good**. In **2009**, the U.S. Congress passed the **Edward M. Kennedy Serve America Act**, and President Barack Obama officially designated September 11 as a National Day of Service and Remembrance, building on the earlier Patriot Day proclamation by President George W. Bush. Today, approximately **35 million** Americans participate in charitable service on 9/11, making it the largest annual day of service in the United States.

9/11 Remembrance Day serves as both a solemn occasion to **honor lives lost** and a call to **community service**, ensuring that the legacy of resilience, unity, and compassion continues to inspire future generations.

MESSAGE FROM THE PRESIDENT

I hope everyone is having a wonderful and enjoyable summer. As always, please remember to take care of yourselves by wearing sunscreen, staying hydrated, and avoiding prolonged exposure to the Florida heat whenever possible.

There is a great deal happening here in Lauderdale West, and your Board of Directors continues to work diligently to ensure that our community remains financially strong, well maintained, and a wonderful place to call home.

One of our major priorities is strengthening our Reserve Program so that we are properly funded to maintain and preserve our more than 50-year-old community. Careful planning today will help ensure that we can address major projects such as road improvements, plex parking areas, building maintenance, and other infrastructure needs while protecting the long-term value of our community.

Many of you enjoy spending time at our pools, and we are pleased to report that Alfredo has contracted with Dr. Strap to refurbish our pool furniture. Chairs and lounges will either be restrapped or, if they are beyond repair, replaced so that everyone can continue to enjoy our beautiful pool areas in comfort.

As highlighted during our BlueStream Town Hall presentations, work has begun on the community-wide fiber optic upgrade. This project will provide faster internet service and 100 additional television channels, bringing enhanced communications and entertainment options to our residents.

In addition, our painting program for both single-family homes and plex buildings continues to move forward and remains on schedule.

Another important initiative currently underway is improving the appearance of our community. We are conducting inspections throughout Lauderdale West to identify areas where landscaping and plantings need attention to ensure compliance with our governing documents and to enhance the beauty of our neighborhoods. This effort is not directed at any individual resident. Rather, it is a community-wide initiative that has been long overdue and is essential to provide safe access for painting, maintenance, inspections, and emergency services while maintaining the attractive appearance

of Lauderdale West.

Every project your Board undertakes has the same objective: to preserve our community, protect our financial future, maintain a safe environment, and ensure that Lauderdale West remains one of South Florida's premier active adult communities.

On behalf of the entire Board of Directors, thank you for your continued support, cooperation, and pride in our community. Together, we are making Lauderdale West an even better place to live.

Wishing you and your family a wonderful remainder of the summer. Here's hoping for cooler temperatures as autumn approaches and, most importantly, a safe and hurricane-free season for all.

Dr. Stephen Rose

President, Board of Directors

Lauderdale West Community Association No. 1, Inc.

PLEASE RESPECT OUR BOARD MEMBERS' PRIVATE TIME

As we are all aware, our Board of Directors is a team of volunteers. Please have respect and allow them their private time. They are in the office Monday through Friday from 9:00AM until Noon to carry out the business of Lauderdale West and to address your issues. Please do not interrupt their private time by calling their personal phone number or arriving on their doorstep. Either call their extension, which can be found on page 3 of this Newsletter, and leave a voice message or wait until the following business day and go into the Clubhouse to talk to them. If you have a true emergency, please call 911.

Thank you for your consideration of our Lauderdale West Board of Directors.

CATS WHO LIVE IN LAUDERDALE WEST

You may think that cats must go outside to be happy. But cats would disagree with you. Cats can live a happy and healthy life indoors with their families. Spaying or neutering will give you a happier and healthier animal, as well.

It has been noticed that some cats are being allowed outside to roam our neighborhood. These cats do have collars, so they belong to our residents. If your cat goes outdoors, it **MUST BE ON A LEASH** and any waste must be disposed of properly, just as our dog owners are required to do. **NO** domestic animal is allowed outside without being on a leash, held by the owner. **PLEASE** have respect for your neighbors and follow the rules. Thank you.

MESSAGE TO ALL RESIDENTS WITH ANIMALS

For those who have animals, including cats, at Lauderdale West, may we remind you that you must:

- **Personally attend to and keep the animal on a leash when outside the home.**
- **NEVER leave an animal alone on a leash.**
- Follow all City and County Ordinances.
- Clean up after your animal anywhere in Lauderdale West.
- Properly dispose of animal waste disposal bags in **YOUR** trash container, **NOT** in a Community trash can.
- Do not put waste down a drainage grate or throw it in the lakes or canals. This becomes a bacterial hazard to our water system.

WOMEN OF LAUDERDALE WEST

By Pinky Trapani 954-472-1652

Just a short recap of our June luncheon meeting. We celebrated all four patriotic holidays. The room was decorated with special red, white and blue everywhere to celebrate our 250 year celebration of America. Thanks to Ginger Baker and her creativity, even our trash cans were done with red, white and blue. Thanks to Sicilian Oven for the delicious lunch and donation of two \$25 gift cards that were raffled off.

Our June 22nd casino ride was successful. Thanks to Kay Wilson and Dorothy Royce for their on-going support to help make this a special event.

We had no luncheon in July, however, the July 4th celebration at the Clubhouse was over the top. Our Christmas in July for "Kids in Distress" was held at our July 28th General Meeting. Mr. Kevin Bochenek, Director of Educational Services, was there to pick up buckets and buckets of school supplies. Much to his amazement, we surprised him with a check for \$4,600. This completed the entire wish list needed to continue nurturing and educating the children.

Our August 4th luncheon will be pizza, salad and cake for dessert. Our speaker is Mr. Frank J Saldana, who will be giving us much needed information on health insurance for renewing or changing your plan. A Q & A session to follow.

Our September and October luncheons will be discussed and voted on at our July 28th General Meeting as we are looking into a few new restaurants.

At our October 6th luncheon we will be bringing back the Jewelry Lady with lots of bling (necklace sets, bracelets, earrings & rings, etc.) at \$5 per piece. Be prepared!!

We are looking into some day trips for the fall, so we really would love you to come to the General Meetings. Your votes and ideas are very important to us.

We had lovely ladies who joined our organization but there is still room for more. Join us for fun, friendship and our worthy cause "Kids in Distress".

A big thank you to Lana Famiano and Connie Guzzi from the Newspaper Office, as well as Jeff Bender and Nicole Lloyd for always being willing to help.

Until we meet again. Blessings.

it's 87 o'clock

original poetry by lydia shutter

it's 87 o'clock on this gray rainy day
my brain takes me on a joy ride gone bad
through memories and dreams
i want to splash bright colors into this dismal day
but monochromatic is all i can muster

there's a cartoon bubble above my head saying,
"faster please"
and one over a taunting cloud saying, "make me"

i'm a joke for sale without a price tag
and no one's asking for the price anyway
i'm a saltine salt side down on the hard wood
floor of life
ready to crack if stepped on just one more time
yea, it's 87 o'clock on this day
that just refuses to end

(Not public – Must be registered by calling 954-831-3902 (TTY 954-831-3940))

In the event of a hurricane, the Florida Department of Health in Broward County is responsible for the medical management and staffing of Special Needs Shelters, if activated. A Special Needs Shelter (SpNS) is a place to go when there is no other sheltering option. Special Needs Shelters are designed to meet the needs of persons who require assistance that exceed services provided at a general population shelter. Special Needs Shelters are intended to provide, to the extent possible under emergency conditions, an environment that can sustain an individual's level of health.

For more information and to download the Broward County Special Needs Sheltering application, please visit Broward County's special needs shelter website at <https://www.broward.org/AtRisk/Pages/SpecialNeeds.aspx>.

We strongly recommend that you register in advance. Please don't wait until a storm is approaching.

HURRICANE TIPS AND TRICKS *Be Prepared*

1. Start running your ice makers now and bagging the ice in freezer bags.
2. Freeze regular tap water for pets, cleaning or drinking in Tupperware-type containers or empty plastic bottles. REMEMBER: leave a small bit of space between the top of the water and lids so as the ice expands, it won't crack the container.
3. Start using up perishables to make more room for ice in the freezer.
4. Fill up all vehicles with gas and check tires and oil. Charge electric vehicles.
5. Get cash from ATM or bank (ATMs may not work after a storm), at least enough money to get you through tolls and gas out of town, should there be an evacuation.
6. Take a screenshot of all your important documents and send to your email. Take originals in sealed bags or plastic, waterproof bins.
7. Have sufficient pet food and supplies. Vet records are required in case you need to shelter your pet at a storm-safe facility.
8. Make an evacuation plan and share with family members.
9. Consider putting heirlooms and photos in plastic, waterproof bins in a high place (high shelf or safe room), if you don't plan to take them with you.
10. SECURE ALL FIREARMS AND AMMUNITION PROPERLY.
11. Place old rags and beach towels on your windowsills. Even with the best windows and shutters, water from wind pressure happens.
12. Shutter windows and doors and bring everything outside into your garage or house NOW. Do not wait until the day before.
13. If you don't already have your hurricane supplies, get them now. Shelves may already be empty in many places.
