

LAUDERDALE WEST HOUSEHOLD WASTE AND RECYCLING

Normal household trash and garbage are collected on Tuesday mornings and Friday mornings. Place waste in a Plantation blue bag, sold at all Publix markets in Plantation. You must use the bags imprinted with the City of Plantation logo, or it will not be collected. Use of black bags is prohibited. You may not place trash bags outside until 5:00 PM the evening prior to collection. On Tuesdays, you may place recycling materials in printed Plantation clear bags, also available at Publix locations. Do not place blue or clear bags within five feet of your mailbox.

Bulk trash pickup is on the second Tuesday of each month, except for two months determined by our waste hauler, when pickup is on the third Tuesday of the month. Our hauler mails a schedule of all dates to each home before the new year. We post signs every month on our website, community TV channel 901, and the official bulletin board at the clubhouse entrance.

- Bulk Pick Up Guidelines

City Administration reminds residents of the following **Bulk Pick-Up Guidelines**:

What is bulk waste? Appliances, furniture, mattresses, carpets/padding, yard waste and other large household items — anything too big for a blue solid-waste bag or a roll-out cart.

- **Limit:** 15 cubic yards per pickup (about the size of a VW Bug).
- **Not accepted as bulk:** Construction debris or loose construction materials.
- **When to place items:** **Place your items curbside no earlier than the Saturday before your scheduled pickup date, and no later than 7:00 a.m. on the day of your collection.** This helps ensure your items are collected on time and keeps neighborhoods clean and organized.
- **Yard waste:** Use **clear yard bags only** for small yard debris and leaves. Tree trimmings and palm fronds must be cut and tied in **6-foot lengths**. No stumps or logs.
- **Bags & carts:** Items that fit in a Plantation **blue solid-waste bag** should go out on your regular trash day in a blue bag or cart. **Black bags** with bulk or other items will **not** be picked up.
- **Residential only:** Waste Management will collect **only** bulk waste generated by the residence. Commercial or landscaper waste is not permitted.
- **Appliances with Freon:** Refrigerators, air conditioners and other Freon-containing appliances must have Freon removed and an approved sticker attached before placing curbside.
- **Electronics:** **No electronics** at curb — take them to a recycling drop-off location.
- **Separation & placement:** Separate bulk types on the swale (appliances, yard waste, other items). Keep piles away from mailboxes, trees, power poles, fire hydrants, fences, street signs and storm drains to avoid damage and speed collection.
- **Glass & fragile items:** Mirrors, glass tabletops, window panes, etc., will be picked up **only** if placed in a rigid container. Broken glass must be secured and clearly marked “GLASS.”
- **Contaminated piles:** If unacceptable items are mixed in, the pile will be considered contaminated and **will not** be collected.

Unacceptable items will not be moved in order to collect the proper items. If this should occur, the pile will be considered contaminated and will not be picked up.

- Eligible & Unacceptable Items

Eligible Items

- Household goods, such as appliances, furniture, mattresses, large toys
- Carpeting: flattened and tied with a heavy cord into bundles not to exceed 50 lbs
- Tree trimmings: cut into 6 ft lengths not to exceed 50 lbs
- Clear bags of yard debris – shrubs, leaves, grass, weeds, etc.
- Water heaters, toilets, vacuum cleaners
- Refrigerators (with Freon properly removed)
- Limited to 15 cubic yards per pickup (approximately the size of a VW Bug)

Unacceptable Items

- Batteries
- Black Bags
- Chemicals
- Concrete including bricks or pavers
- Contractor generated waste
- Drywall
- Fencing
- Fluorescent bulbs
- Glass not properly wrapped
- Home remodeling or demolition debris
- Insecticides
- Oils
- Paints
- Shingles
- Tile
- Tires, auto parts, engines, transmissions
- Wood

Bulk trash pickup is on the second Tuesday of each month, except for two months determined by our waste hauler, when pickup is on the third Tuesday of the month. Our hauler mails a schedule of all dates to each home before the new year. We post signs every month on our website, community TV channel 901, and the official bulletin board at the clubhouse entrance.

- Bulk Pick Up Guidelines

City Administration reminds residents of the following **Bulk Pick-Up Guidelines**:

What is bulk waste? Appliances, furniture, mattresses, carpets/padding, yard waste and other large household items — anything too big for a blue solid-waste bag or a roll-out cart.

- **Limit:** 15 cubic yards per pickup (about the size of a VW Bug).
- **Not accepted as bulk:** Construction debris or loose construction materials.
- **When to place items:** **Place your items curbside no earlier than the Saturday before your scheduled pickup date, and no later than 7:00 a.m. on the day of your collection.** This helps ensure your items are collected on time and keeps neighborhoods clean and organized.
- **Yard waste:** Use **clear yard bags only** for small yard debris and leaves. Tree trimmings and palm fronds must be cut and tied in **6-foot lengths**. No stumps or logs.
- **Bags & carts:** Items that fit in a Plantation **blue solid-waste bag** should go out on your regular trash day in a blue bag or cart. **Black bags** with bulk or other items will **not** be picked up.
- **Residential only:** Waste Management will collect **only** bulk waste generated by the residence. Commercial or landscaper waste is not permitted.
- **Appliances with Freon:** Refrigerators, air conditioners and other Freon-containing appliances must have Freon removed and an approved sticker attached before placing curbside.
- **Electronics:** **No electronics** at curb — take them to a recycling drop-off location.
- **Separation & placement:** Separate bulk types on the swale (appliances, yard waste, other items). Keep piles away from mailboxes, trees, power poles, fire hydrants, fences, street signs and storm drains to avoid damage and speed collection.
- **Glass & fragile items:** Mirrors, glass tabletops, window panes, etc., will be picked up **only** if placed in a rigid container. Broken glass must be secured and clearly marked "GLASS."
- **Contaminated piles:** If unacceptable items are mixed in, the pile will be considered contaminated and **will not** be collected.

Unacceptable items will not be moved in order to collect the proper items. If this should occur, the pile will be considered contaminated and will not be picked up.

- Eligible & Unacceptable Items

Eligible Items

- Household goods, such as appliances, furniture, mattresses, large toys
- Carpeting: flattened and tied with a heavy cord into bundles not to exceed 50 lbs
- Tree trimmings: cut into 6 ft lengths not to exceed 50 lbs
- Clear bags of yard debris – shrubs, leaves, grass, weeds, etc.
- Water heaters, toilets, vacuum cleaners
- Refrigerators (with Freon properly removed)
- Limited to 15 cubic yards per pickup (approximately the size of a VW Bug)

Unacceptable Items

- Batteries
- Black Bags
- Chemicals
- Concrete including bricks or pavers
- Contractor generated waste
- Drywall
- Fencing
- Fluorescent bulbs
- Glass not properly wrapped
- Home remodeling or demolition debris
- Insecticides
- Oils
- Paints
- Shingles
- Tile
- Tires, auto parts, engines, transmissions
- Wood

LAUDERDALE WEST HOUSEHOLD WASTE AND RECYCLING

Normal household trash and garbage are collected on Tuesday mornings and Friday mornings. Place waste in a Plantation blue bag, sold at all Publix markets in Plantation. You must use the bags imprinted with the City of Plantation logo, or it will not be collected. Use of black bags is prohibited. You may not place trash bags outside until 5:00 PM the evening prior to collection. On Tuesdays, you may place recycling materials in printed Plantation clear bags, also available at Publix locations. Do not place blue or clear bags within five feet of your mailbox.

Bulk trash pickup is on the second Tuesday of each month, except for two months determined by our waste hauler, when pickup is on the third Tuesday of the month. Our hauler mails a schedule of all dates to each home before the new year. We post signs every month on our website, community TV channel 901, and the official bulletin board at the clubhouse entrance.
